Dear Mr. Donald:

This is response to your letter to James Farmer, Chief of the Criminal Division. Please excuse the delay in responding.

We have reviewed the information you have furnished and have concluded that there is no basis on which a federal criminal investigation should be authorized regarding your claims of lost evidence made in the context of your state criminal case. Presumably, you will continue whatever remedies may be available to you through post-conviction litigation.

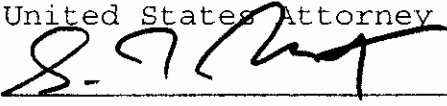

We do appreciate your cooperation and willingness to testify in the Nashua Street Jail case. As you may know, Lt. Randall Sutherland was convicted of obstruction of justice and awaits sentencing.

We regret that we cannot be of any further assistance to you.

Very truly yours,

MICHAEL J. SULLIVAN
United States Attorney
